

These marbled eggs look best iced in bright and contrasts colors. The horizontal lines can also be drawn vertically instead. Use the same drag technique in the opposite direction.

## MARBLEIZED STRIPED EGGS

Using pink royal icing, dam and flood the egg cookie. Even icing out with icing knife and pop air bubbles with a toothpick. Draw curved horizontal lines across the cookie in contrasting colors. With the tip of a toothpick drag perpendicular lines up and down to create the marbled effect.

## MARBLEIZED DOTTED EGGS

Using green royal icing, dam and flood the egg cookie. Even icing out with icing knife and pop air bubbles with a toothpick. Pipe dots around the cookie in a contrasting color(s). With the tip of a toothpick drag perpendicular lines up and down to create the marbled effect.
